

**CALLING ON SALES AND MARKETING STUDENTS - NAIROBI
EARN WHILE YOU LEARN – SALES INTERNSHIP PROGRAM**

Whether you are taking a diploma course or a degree course in **Sales and Marketing** you can benefit from this program.

You learn a new revolutionary Business Management Software and sell it to business owners and get paid commission based on sales.

Benefits

1. **You are trained on practical selling techniques** every week by experienced marketers.
2. **You gain a new skill:** Using accounting software which is a well sought after skill just in case you later find out that sale is not your thing.
3. You get to **meet a lot of business owners** who would offer openings for you in marketing once you complete studies.
4. We give you a **recommendation letter** after the end of your internship.
5. Best performers stand a **chance of getting permanent position** with us.

Who we are

- G) **Bars and Restaurants Back office control.** (Pubs and hotels)

(all of above fully integrated with general ledger meaning you can get final books of accounts at any given day)

How to apply:

Write a cover letter telling us why you need the internship and email to jobs@busytechkenya.com , attaching a one page CV giving details of the course you are undertaking, availability (time of the day for part time students and months on holiday for full time students, 2 referees (one of them must be a college lecturer/administrator),telephone contacts. (please do not attach any certificate)

Please note that qualified interns will be required to report to our town offices in not less than three days in a week and therefore the location of the college is a major consideration as Busytech does not promise to cover transport cost.

For any queries please visit our office at Norwich Union House, Sixth floor opposite Hilton hotel.
